

## Raw material data sheet

20/06/2018

**Raw material :** dextrose monohydrate  
**Art. number:** A00024  
**Matrix nr. :**

**date :** 09/08/18  
**revision nr. :** 1

*external specifications*

|  |   |             |              |
|--|---|-------------|--------------|
| <b>Active components</b>   | Product by hydrolysis of starch                                   |             |              |
| <b>EU classification</b>   | -   |             |              |
| <b>Formula</b>   | C <sub>6</sub> H <sub>12</sub> O <sub>6</sub>                     |             |              |
| <b>To guarantee</b>  | <b>parameter</b>  | <b>min.</b> | <b>max.</b>  |
|  | moisture  |             | 9,0%         |
|  | sugars  | 85,0%       |              |
|  | particle size   |             | 10% > 0,5 mm |
|  | hygroscopicity  |             | 15,0%        |
| <b>Risk indicators / Undesired substances</b>  | free from impurities  |             |              |
|  | <b>POA</b>  |             |              |
|  | XX  |             |              |
| <b>Storage conditions</b>  | <b>CCP</b>  |             |              |
|  | XX  |             |              |
|  | Store in closed packaging   |             |              |
